

PRENTON PREPARATORY SCHOOL

ADMISSIONS POLICY AND PROCEDURES

1. INTRODUCTION

- 1.1 Prenton Preparatory School is a co-educational independent junior day school for pupils from ages 4 to 11 years. Deciding on the right school for your child is very important, and we believe that a personal visit is invaluable. We very much hope that you and your child will visit Prenton Preparatory School. We hold open events which give a general introduction to the School. Details are published on our website. We are very happy to welcome prospective parents and their children for a tour during school hours. Please contact the School on 0151 652 3182 or email admissions@prentonprep.co.uk to arrange a visit.

2. THE ENTRY PROCEDURE

- 2.1 Prenton Preparatory School entry is set out in Section 5. Our assessment process is designed to identify pupils who are able to benefit from our balanced and well-rounded education and make a positive contribution to the life of the school.
- 2.2 The usual point of entry is 4+ years i.e. Kindergarten (F2).
- 2.3 We admit approximately 20 pupils a year at Kindergarten each September. The school may also have occasional places at other ages. Please contact the Admissions team for details of the registration process.
- 2.4 The first step in the admissions process is to register the child so that their name can be included on the School's registration list. To do this they must pay the non-refundable registration fee of £100.00.
- 2.5 Applicants for admission should register as early as possible as places at the School can be at a premium.

3. EQUAL OPPORTUNITIES

- 3.1 Prenton Preparatory School's aim is to encourage applications from a diverse range of backgrounds. This enriches our community and is vital in preparing our pupils for today's world.
- 3.2 Prenton Preparatory School is committed to equal opportunities for all pupils regardless of gender, race, ethnicity, religion, disability or social background.

4. SPECIAL NEEDS

- 4.1 Prenton Preparatory School welcomes pupils with special educational needs or disabilities providing that its learning support department can offer them the support that they require and our site can accommodate them. We strongly advise parents of children with special educational needs or physical or mental disabilities to discuss their child's requirements with the Headteacher before registering for a place so that they can discuss thoroughly the adjustments that can reasonably be made for the child. Parents should provide a copy of an educational psychologist's report or a medical report or the report of any other relevant professional childcare specialist if they have one. Following this meeting the Headteacher will advise the most suitable placement for the child.

5. THE ASSESSMENT PROCESS

- 5.1 The aim of the process is to identify a child's potential and to try to understand what needs a given pupil may have in relation to their schooling. Prenton Preparatory School is looking for well-rounded pupils with a genuine interest in education in the broadest sense of the word, with interests that

stretch beyond the confines of the academic curriculum. For older pupils, places are offered based upon the school's ability to meet needs of individual children and the cohort in general, which is assessed through an assessment at Prenton Preparatory School together with reports from the candidate's previous school. This assessment may take place over two separate visits to meet the needs of the child and give them the opportunity to familiarise themselves with the School. If the first day doesn't quite go to plan or if there is any concern over the school's ability to offer a place for a child, the Headteacher will discuss openly and frankly with parents and guardians and a second assessment day will always be offered.

5.2 No specific preparation for our assessment process is needed, all candidates start on an equal footing, with identical opportunities to display their abilities and potential.

5.3 Assessment for Reception is based on

- observing their informal play in small groups
- talking to the child
- discussion with the Headteacher or staff on our Early Years team
- reference/questionnaire/reports from the feeder School/Nursery

5.4 All other candidates for entry below 11 years of age are assessed in lessons with their intended cohort at a level appropriate for their age group.

5.5 We talk to all candidates as part of our assessment process for each age group.

7. SCHOLARSHIP AND BURSARIES

7.1 It is Prenton Preparatory School's policy that all parents pay the same school fees for their children's education as everyone else in the relevant band. (the School Fees list is obtainable on request and on the School's website). However, there is a Bursary Application Form available intended to ensure that

pupils who would greatly benefit from a PPS education and would significantly contribute to school life are not precluded from a place in the school. These are short-term offers of support for families in hardship, based upon household income, and must be reapplied for annually.

- 7.2 Bursaries may also be given by the School to pupils whose parents or families find themselves in sudden or unforeseen difficult circumstances. These bursaries are intended as short-term support for the pupils/families concerned. Parents who require such a bursary should speak to the Headteacher in the first instance.
- 7.3 Scholarships are only offered when the School recognises hardship in exceptional circumstances where a pupil has proved to be gifted or talented in a particular field. In such cases, where a pupil would benefit from additional tuition or coaching, then after discussions with the Headteacher and the School may cover the cost of the additional tuition/coaching.

8. RELIGIOUS BELIEFS

- 8.1 Although Prenton Preparatory School is non-denominational, it has a Christian ethos, the School does not select for entry on the basis of religious belief and it offers places to pupils from all religious backgrounds. However, parents should be aware that attendance to all School assemblies and formal functions such as Speech Day, Carol Service, and special School celebrations is encouraged. At such events Christian songs or Carols may be sung. Also, when we share a short prayer all pupils should be respectful.
